About

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India.** The vision of the centre is to develop skills and competencies of teachers and teacher educators associated with language education especially Sanskrit for designing, developing, implementing and evaluating teaching-learning systems. The centre has been identified in the list of 30 new centres (IInd phase) for conducting **one month mandatory Faculty Induction Programme (FIP) for newly inducted higher education faculty** and also notified as **National Resource Centre (NRC) for developing & conducting online Annual Refresher Programme In Teaching (ARPIT-2018, 2019 & 2020 courses) through SWAYAM in the discipline Sanskrit by Department of Higher Education of Ministry of Education, GOI.** In addition to this, the centre has **published two handbooks for teaching Sanskrit** one at upper primary level and other at secondary level. The centre has successfully **organized 43 programmes** and **03 Faculty Induction Programmes (FIP)** till now. All the programmes in phase-V are conducted under patronship of hon'ble Vice Chancellor.

Backdrop

We all know that professional development plays a significant role in upgrading knowledge, attitude, skills & competencies associated with the specified profession. It also gives opportunity to improve, grow, progress & stay organized in one's profession through training & learning. The professional development of teachers help them in transforming them into more stronger & more fitting teachers in terms of meeting the needs of their students. Besides having subject knowledge, teachers must have the skills & competencies of planning, designing, implementing, assessing, using & integrating technology in teaching learning systems & research work. These skills not only help the teachers in their career advancement but also ensure better learning learning outcomes for their students. Thus, for becoming an effective & efficient professional, it is pertinent for all teachers irrespective of their discipline & level to go for professional skill development regularly. In this backdrop, two weeks online National Faculty Development Programme (FDP) has been organised with an intent to give insight to the participants in enhancing their pedagogical, technological, assessment & research competencies.
