## About

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India.** The vision of the centre is to develop skills and competencies of teachers and teacher educators associated with language education especially Sanskrit for designing, developing, implementing and evaluating teaching-learning systems. The centre has been identified in the list of 30 new centres (IInd phase) for conducting **one month mandatory Faculty Induction Programme (FIP) for newly inducted higher education faculty** and **also notified as National Resource Centre (NRC) for developing & conducting online Annual Refresher Programme In Teaching (ARPIT-2018, 2019 & 2020 courses) through SWAYAM in the discipline Sanskrit by Department of Higher Education of Ministry of Education, GOI.** In addition to this, the centre has **published two handbooks for teaching Sanskrit** one at upper primary level and other at secondary level. The centre has successfully **organized 42 programmes** and **03 Faculty Induction Programmes (FIP)** till now. All the programmes in phase-V are conducted under patronship of hon'ble Vice Chancellor.

## Backdrop

E-Learning has been around for almost two decades but its prominence peaked during the Covid-19 pandemic as a result of which it has emerged as an inextricable part of today's education. Consequently, the endeavour of all the teachers is to make e-learning more engaging, efficient, interactive & learner-centric. E-Course designing & development is a great way in this concern for promoting self-paced & asynchronous learning. They also facilitate the learners urge to update & gain knowledge & skills and curiosity to learn new things. These courses can be developed in any area of education & skill development. Thus, teachers as instructional designers must have the skills for developing such e-learning courses through which a large number of learners will be benefitted. In this backdrop, 3 days online national workshop is organized with an intent to enhance competencies related to designing & developing of e-courses.

## Objectives

The objectives of this workshop are:
